SEPTEMBER IS HUNGER ACTION MONTH™

- **WHAT**: Hunger Action Month (September) is a nationwide campaign to mobilize the public to take action on the issue of hunger. Organized by Feeding America®, the campaign brings greater attention to the issue of hunger in America and promotes ways for individuals everywhere to get involved with the movement to solve it. Hunger Action Day™, which is the first Thursday in September (this year it will be Thursday, September 4th), is a day where nationwide efforts are focused for greater impact.

- **WHO**: Feeding America is a nationwide network of food banks and the largest domestic hunger-relief organization. Inspired by passionate food bank leaders, what began in 2002 as Hunger Action Day grew into a nationwide awareness campaign for the entire month of September in 2008. This year will be the 7th annual Hunger Action Month organized by the Feeding America network and supporters nationwide.

- **WHY**: Hunger exists in every county in the country, affecting 49 million Americans including 16 million children. Hunger is a solvable issue and Feeding America is leading the fight to end it.

- **HOW**: You can help by mobilizing your community through any of the actions below. As individuals, charities, businesses and government, we all have a role to play in getting food to our neighbors in need.
