

Cookie

(AKA Golden Delicious)

Cookie got her name because of her special talent for cooking. But her ability to please everybody has led her into politics. In Washington, DC., where she works tirelessly on behalf of her fellow apples, she is known by all as the golden girl of Washington state.

Blushes

(AKA Granny Smith)

Here's our Blushes basking on the beach in sunny Waikiki. But that pink on her cheeks didn't come from the Hawaiian sun. It's the special healthy glow she came by naturally, thanks to growing up in beautiful Washington state.
