# Aroostook

Every day, nutritious meals are missing from tables in Aroostook County. Because of the COVID-19 pandemic, **Aroostook County is projected to rise to 11,250 food insecure residents in 2021** (16.6 percent of the county's population). Food insecurity among children is projected to be even higher at 23.9 percent, which is a 3 percent increase over 2019. Through our network of local food pantries, meal sites, shelters, and other organizations we provide food assistance to Mainers living in Aroostook County.
