Part X, Line 2:

of the Internal Revenue Code and comparable state law and, therefore, has made no provision for income taxes in the accompanying consolidated financial statements.

Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the FASB, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position.

GSFB has evaluated the positions taken on its filed tax returns. GSFB has concluded no uncertain income tax positions exist at June 30, 2023.

services. \$20,500 in contributions raised was directly attributed to
services provided by Stetler, and no revenue is directly attributable
to the services provided by the Helen Brown Group, and thus none is
reported on Schedule G, Part I. However, it is the Organization's
position that, while directly attributed contributions allocated to
these services may have been below the cost of the services, that the
research, strategy, and survey information provided by these
fundraising consultants overall yielded a net positive impact on the
Organization's programs and operations.

Form 990, Part VI, Section A, line 4:

During the period covered by this Form 990, the Organization voted to adopt new Bylaws. The revised bylaws made effective the following changes:

- 1. Compensation to board members will now be governed by the Organization's Commitee Member Compensation Policy; the previous bylaws stated that no Director shall receive directly or indirectly any compensation for their services as a Director, but such a prohibition has been removed. Board members are not compensated by default, but should board participation create personal hardship, may ask to receive compensation commensurate with their commitment of time and expertise.
- 2. Officers will now serve two-year terms; the previous bylaws allowed for one-year terms.
- 3. The board's finance committee will now have a minimum of two members; the previous bylaws required a minimum of three members.

Form 990, Part VI, Section B, line 11b:

The Form 990 is prepared by an outside indepent accounting firm, then reviewed by the President, the VP of Finance and Administration, and the Audit Committee. It is then circulated to the full Board before filing with 232212 10-28-22

All Board members are required to complete a conflict of interest form annually and disclose any conflicts that exist.

Form 990, Part VI, Section B, Line 15:

Good Shepherd Food Bank aims to match compensation in comparable job markets for all positions, including the Organization's President, appropriately rewarding performance and tenure with the Food Bank while maintaining equity across comparable positions. In times of limited or abundant resources, consistent with the Food Bank's mission, priority will be given to maintaining competitive and livable wages across the lowest pay grades.

The compensation practice reflects both changes in the cost of living and accomplishments of team and individual goals, with greater emphasis on cost of living. We believe this approach, which depends less on supervisor discretion, is more fair and equitable than past practices. In an effort to prioritize staff in the lower pay grades, cost of living adjustments will be made based on a hybrid of percent of employee salary and a flat rate available to all employees.

The budget for annual salary increases is drafted by Finance and Human Resources staff in March or April of each year for approval by the Board of Directors in May. With this in mind, a baseline for cost of living increases will be determined by the annual change in Consumer Price Index from February of the preceding year to February of the current year. To

best estimate local costs, Finance and Human Resources staff will average CPI factors from the United States, Northeast Region, and New England.

In addition to the annual COLA adjustment, all employees who have been in their current position for at least six months will be eligible for a Merit Adjustment of up to 1% of their base salary, contingent upon delivery of results consistent with expectations of their role.

In some years, this plan will be significantly more expensive to the Food

Bank than past practices. Should senior leadership and the Board of

Directors determine that such increases are not financially viable, it is

the intention of the working group that the core tenets of this plan be

adhered to.

Compensation and benefits paid to the President are subject to board review and approval.

Form 990, Part VI, Section C, Line 19:
